

# Nikita Denise Johnson

FRONT END WEB DEVELOPER

## Profile

I am seeking a valuable Front End Web Developer position where my creativity in programming and graphic arts will be utilized to the fullest.

## Employment History

### Front End Web Developer, Gemma's Box, Nassau

2021 — PRESENT

- Designed the UX / UI of the beta and final website using Photoshop.
- Implemented frameworks for the Front-End (SASS and Bootstrap) as an upgrade from the original site that was only written in pure CSS and was not mobile responsive.
- Suggested and implemented a better system of team collaboration with the app developers, social media marketers, and sales staff using Trello.
- Assisted with team building ideas related to increase investor activity and social appeal to help the startup grow.
- Final design of the website created using Shopify.
- Responsible for photo editing and graphic design work to assist social media as needed.

---

### Graphic Designer, Dupuch Publications Ltd., Nassau

2013 — 2019

- Trained junior staff in introductory concepts of graphic design principles.
- Created logos, banners, advertisements, stationery and brochures for company and external clients.

## Education

### Certificate of Completion, Free Code Camp, Remote

Certificate of completion for Responsive Web Design

### Business Management and Fundamentals, Arden University (Undergrad), Remote

2017 — 2018
